# Lunch with a Leader

## **THE SPEAKER: GREER SAKUL**

### **Top tips for a successful and fulfilling 2012**

Greer is an expert in empowered thinking and authentic living. Greer started her Hobart-based business *Greer Sakul Life Coaching* in August 2011 and supports private clients and business owners through one-on-one coaching, as well as group/team motivation sessions, event speaking, and weekend retreats. With a background in regional development (RDA Tasmania), tourism and environmental planning (SEMF Hobart), and guest relations (Whistler Blackcomb, Canada), Greer now employs her commitment to empowering others via the modality of life coaching.

# Lunch with a Leader

## THE SPEAKER: JOHN PITT

John is the Managing Director of **pitt&sherry**, a leading Australian professional services company. John is responsible for the company's operations. These are focused on transport, industrial and community infrastructure sectors and on mitigation and adaptation challenges associated with climate change. John has over 30 years of consulting experience on infrastructure projects of all types - but particularly those which involve transport infrastructure - and including 10 years involvement with international work in Africa, UK and SE Asia. John's current role is centred on business building, leadership, strategic planning and the incubation of a competitive

sustainable company culture within **pitt&sherry**. John sees **pitt&sherry** as having responsibility and the opportunity to improve community social and environmental outcomes through its work and performance as an economic entity.
