

2018-2019 Tasmanian Leaders Alumni Membership

When you purchase financial Alumni membership you are investing in your development as a leader and professional.

You are also supporting the work of the Alumni and ensuring that we can continue to offer exclusive professional development and networking at highly competitive pricing.

100% of your membership fee is reinvested in the Alumni!

What are the benefits for you and your organisation?

- Access to eleven years of Alumni; a diverse group of individual, passionate leaders across Tasmania and beyond, who continue to support and encourage innovation and achievement.
- Access to high level, low cost professional development opportunities.
- Opportunity to leverage investment already made.

Tasmanian Leaders Alumni Congress: The penultimate event for the 2018 calendar is the TLA Congress. The event will be held across three days in Hobart, including site tours, guest speakers, social opportunities and much more!

Linking with a Leader: Gaining an almost cult following in three regions across the state this series of events connect our Alumni with local and visiting leaders to discuss current issues. A great way to relive the TLP vibe over a drink or bite to eat.

TLP12 Networking Events: Held across the state in three locations these events invite you to meet the thirty TLP12's while also catching up with the broader TLP family.
