Two Day Courageous Leadership Transformation

When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work.

Dr Brene Brown's Dare to Lead[™] Program is an empirically based courage-building leadership program delivered over two days by certified facilitators Dr Polly McGee and Zoe Coyle, designed to give you and your teams a deep understanding of the four skills needed for true courage building, values based leadership, leaning in to vulnerability and how to rumble with difficult conversations for better whole-of-business outcomes.

Tickets are limited to ensure connection, **book now** to secure your place.

Price includes **2 full days training + catering**, a Dare to Lead[™] **workbook**, **certificate of completion** and a **digital LinkedIn badge** to display your Dare to Lead[™] credentials to the world.
