

Covid-19 Policy

1. Rationale

- 1.1 Tasmanian Leaders is committed to ensuring the health and safety of its Board members, employees, associates, participants and volunteers as well as the safety of visitors, and contractors.
- 1.2 This policy outlines TL's approach to minimising the risk of exposure to Covid-19 for all Board members, employees, associates, participants and volunteers as well as the safety of visitors, and contractors during the Covid-19 pandemic while working at TL workplaces.
- 1.3 This policy is subject to any Public Health Order which affects TL and its activities and programs. If any State, Territory or the Australian Government mandates that a workplace must close, that Employees isolate at home, wear a mask or be vaccinated at work (Public Health Order) then such directives override this policy to the extent of any inconsistency.
- 1.4 All Board members, employees, participants, associates, and volunteers as well as the safety of visitors, and contractors have a duty-of-care and responsibility to assess and mitigate risk of infection to themselves and to others, including keeping informed of current government jurisdictional mandates and medical advice.
- 1.5 TL supports the use of vaccinations for Covid-19 to minimise the health and safety risk to individuals interacting with TL. If an individual chooses not to receive a vaccination, they acknowledge that they may not be able to enter a TL workplace, or participate in TL's activities, and programs. TL acknowledges that there may be medical reasons why an individual may not be able to receive a Covid-19 vaccination, or choose not to in their circumstances, including protected attributes such as pregnancy or disability.
- 1.6 From time-to-time TL interacts with people and communities with an elevated risk of being infected with Covid-19 such as, for example people with a reduced immune system, medical professionals, prisoners, people experiencing homelessness, and Aboriginal and Torres Strait Islander individuals and communities. Individuals that this policy relates to have a duty to consider their personal health and wellbeing and the desires of others during the pandemic. TL is mindful of taking steps to minimise the risk to vulnerable individuals.
- 1.7 Refer to TL's Covid Response Plan for Covid-19 safety guidelines for program planning, design and delivery, and each TL leadership program's Covid Safe Plan and risk management plan.

2. Definitions

TL	Tasmanian Leaders
Associate	An entity (and its agents, employees) or individual that provides services with the TL.
Board Members	All current elected and appointed members of the TL board.
Contractors	An entity (and its agents, employees) or individual that provides paid services to the TL and whom execute an TL subcontractor agreement.
Covid-19	Corona Virus Disease (identified 2019)
Covid-like symptoms	<p>Can include but are not limited to:</p> <ul style="list-style-type: none"> • fever • respiratory symptoms • coughing • sore throat • shortness of breath. <p>Other symptoms can include runny nose, acute blocked nose (congestion), headache, muscle or joint pains, nausea, diarrhoea, vomiting, loss of sense of smell, altered sense of taste, loss of appetite and fatigue.</p>
Employee	An individual who has a contract of employment with the TL.
Fully vaccinated	Means an individual has received the required dose(s) of a Therapeutic Goods Administration
	(TGA)-approved Covid-19 vaccine under the national Covid-19 vaccination program.
Participant	An individual who has contracted with TL to participate in a TL program.
Program	A program refers to any of our programs including the Tasmanian Leaders Program, I-LEAD, TEAL, Dare to Lead, Thinkbank and others in development or may be developed.
Test	Means a polymerase chain reaction (PCR) test or in TL's absolute discretion and on a case-by- case basis, a TGA approved rapid antigen test.
Visitor	Means a person who visits an TL Workplace but who is not a Participant, Employee, or Volunteer. This also includes ad hoc ancillary service providers who are not Contractors.

Volunteer	Means a person who: is not an employee of TL; and offers their services or time to the TL for no financial gain. For the avoidance of doubt this includes volunteer speakers and committee members.
Workplace	In the context of this policy workplace is a place where work is carried out for a business or undertaking and includes any place where an individual goes, or is likely to be, while at work. Participants, visitors, associates, contractors and volunteers are visiting a workplace where they are participating in an TL program or activity including the many venues we utilise over the course of the program. Employees that are designated homeworkers cannot leave their workplace when their office is based in their home (a designated homemaker is a TL employee who works from home [their office is based in their home] even though they may work other than at home for part of their working hours).

3. Role and Responsibilities of TL, Employees, Board Members, Associates, Participants, Volunteers, Visitors and Contractors

3.1 TL's role

In delivering on its work health and safety duties TL aim to:

- Provide a safe working environment, information, instruction, and supervision to promote health and safety in the Workplace including procedures to follow in high-risk Covid-19 situations in the workplace. See TL Covid-19 Response Plan for procedures.
- Provide adequate facilities to practice good hygiene in the workplace including hand sanitiser, soap, disinfectant spray, tissues, and where relevant, face masks and other PPE.
- Consult with those to whom this policy relates about work health and safety issues relevant to the Covid-19 outbreak.
- Integrate work health and safety issues into all of decision making and put in place mechanisms for monitoring work health and safety issues.
- Notify the relevant state/territory Work Safe office and lodge a WHS incident notification if a Covid-19 infection is contracted in the workplace.
- Revise and implement this policy where reasonably necessary and in line with changes to the law and government directives.

3.2 General responsibilities of Board Members, Employees, Volunteers, Associates, Participants, Contractors and Visitors to an TL Workplace

When feeling unwell

- Do not enter a workplace when feeling unwell, displaying COVID-like Symptoms, or if you suspect you may have Covid-19.
- If feeling unwell while in the workplace, inform an executive employee of TL who may direct you to leave the workplace and immediately seek medical treatment.
- If an employee is suffering Covid-like Symptoms and not attending the workplace, they may continue to work; however, they will be advised to use sick leave to allow recovery.

If suspected to have encountered COVID-19

- Do not attend a workplace when directed to self-isolate or work from home.
- Unless otherwise directed by TL do not attend a workplace if you have travelled to a Covid-19 hotspot; have come in contact with a confirmed or suspected case of Covid -19 or if you have come into close contact with someone who has travelled to a Covid-19 hotspot within the last 14 days.
- If diagnosed with Covid-19, individuals who have had contact with TL or a workplace must immediately inform a TL executive employee, and not attend a workplace. Individuals should follow the advice of medical practitioners, government health officials and any Public Health Order.
- If diagnosed with Covid-19, employees (and where relevant, participants and volunteers) must provide a medical certificate confirming that they are fit to return to work, which may include confirmation that they have had a test which returned negative for Covid-19.
- If a participant, contractor, or visitor has been diagnosed with Covid-19 they will not be able to enter a Workplace, provide services to or participate in any TL program or activity until TL are satisfied that they are Covid-19 free or are not a health or safety risk to others.
- An employee with Covid-19 can potentially work from home subject to the advice from the treating clinician and discussions with the TL.

General Responsibilities

- Monitor exposure sites within your local area.
- Be mindful of others in taking steps to minimise the risk of vulnerable individuals contracting the illness, including by avoiding the workplace when experiencing Covid-like symptoms.
- Practice good hygiene in the workplace:
 - wipe down surfaces after use including scanner and printers.
 - practice cough and sneeze etiquette by keeping away from others, cover coughs and sneezes
 - do not share items such as pens, keyboards, mice where possible.
- Wash hands regularly with soap and use hand sanitiser regularly.

- Always observe social distancing including:
- Ensuring that there are 1.5 meters between people.
- Limit or avoid face-to-face meetings.
- Not shake hands or hug to greet others.
- Abide by any room capacity restrictions as directed by the TL from time to time.
- Avoid non-essential travel to designated Covid-19 hotspots.
- Follow instructions when in the Workplace.

3.3 Specific Responsibilities of employees and Board Members

- To attend workplaces and TL activities in person, TL requires employees and Board Members to be fully vaccinated against Covid-19, subject to each individual obtaining their own independent medical advice regarding vaccination and their options for vaccination.
- Where employees or Board members are exempt from Covid-19 vaccination for medical reasons, individuals may be required to provide evidence acceptable to TL of the exemption.
- Employees or Board Members returning from overseas or interstate may be unable to attend workplaces or TL activities. Such individuals may be directed by TL not to return to the office for a period of time and where relevant, may be required to take leave in accordance with our policies or, with the consent of TL, work from home.
- Individuals may be required to provide proof of their vaccination status to attend a workplace.

3.4 Specific responsibilities of participants and contractors

- Participants, staff and contractors are required to be fully vaccinated against Covid-19 to take part in person in any TL program or activity.
- A Covid-19 vaccination exemption may be allowable where an individual has a disability, medical or other protected attribute that means they cannot be vaccinated. This will be assessed on a case-by-case basis by TL.
- Where an individual is provided with an exemption, they may be required to provide proof of a negative test result within 48 hours prior to the commencement of a face-to-face program or activity, or be asked to wear a mask for the duration of their attendance.
- Individuals may be required to show a TL representative proof of their vaccination status or exemption to participate in a TL program.

3.5 Specific responsibilities of volunteers, associates and visitors

- TL will conduct a risk assessment with respect to volunteers, associates and visitors and determine in their absolute discretion whether a volunteer or visitor is required to be fully vaccinated, for participation in any TL activity or upon entering a TL workplace. TL will consider whether a relevant Public Health Order applies in the context of appropriate vaccination requirements.

- If an individual is provided with a vaccination exemption, they may be required to provide proof of a negative test result within 48 hours prior to the commencement of a face-to-face program or activity, or be asked to wear a mask for the duration of their attendance
- Individuals may be required to show a TL representative proof of their vaccination status or exemption to participate in a TL program or attend a workplace.

4. Scope and application

This policy applies to TL Board members, employee, volunteers, associates, visitors and all contractors engaged in the TL's activities and programs.

4.1 This policy will be reviewed periodically but is subject to change at short notice.

5. Responsibilities and ownership of this policy

Policy approval	Board Members
Implementation	Chief Executive Officer; Business Manager; Program Coordinator
Review	Chief Executive Officer
Improvement	Chief Executive Officer
