

Connect: for anyone moving to or recently arrived in Tasmania.

Whether you're new to Tasmania or returning home, **Connect** can help you find your feet, create supportive and influential local networks, and navigate your way to business and personal success.

Why Connect?

Relocating can be expensive and stressful. You want your move to Tasmania to succeed: for you, your family and your organisation.

Connect can help you – whether you're seeking a fresh start, escaping big city life after too many Covid lockdowns, moving here with your work, or returning to Tasmania after time away.

What's involved?

Connect is a new program from Tasmanian Leaders – Tasmania's premier leadership development organisation.

The program is delivered across two days in Hobart, led by international management consultant Kathryn Thomas.

The program features inspiring speakers on topics such as our unique brand, how to thrive in Tasmania, and economic and labour opportunities. It will include presentations, site visits and a networking dinner. All with preeminent Tasmanians who can help provide insights and introductions to help you settle quickly and succeed well.

Is it for me?

Connect is for people who have returned or arrived in Tasmania in the last five years. It will most benefit entrepreneurs, senior executives and remote workers.

Program dates

Connect will be delivered in Hobart from 9.00 am Monday 24 October to 1.00 pm Tuesday 25 October.

Your one-off investment of just \$583 covers:

- Access to all sessions over the two days, including expert guest speakers and networking opportunities.

I moved to Tasmania as a remote worker for a global company. The Tasmanian Leaders Program gave me an instant professional network and lifelong friends."
